

✳️ **The Global Projects Center (GPC) is an interdisciplinary research center at Stanford University that seeks to facilitate understanding of the financing, developing and governance of strategic infrastructure assets.**

GPC Research Areas

- We conduct research on infrastructure **finance, development, and investment**
- Example Topics of Interest:
 - How can **Institutional Investors best allocate capital** to the infrastructure asset class?
 - How can **Public-Private Partnerships be structured** to create long term value?

Institutional Investment

Project Governance

Frontier Finance

Barriers to Innovation

Enabling the Golden Handshake

- Realign governance
- Enhance capacity (internal → external)
- Pool assets, knowledge and skills

- Realign governance
- Reconfigure supply chain
